## FEATURED ALUMNUS – Eric Guthier

*Eric Guthier, Class of 2001*

### NORTH TO ALASKA

Nome, Alaska, home to Eric Guthier, class of 2001. Nome is located in northwestern Alaska, just south of the Arctic Circle. It is the center of commerce, transportation, and government for northwestern Alaska. Nome is less than 200 miles from Russia, across the Bering Strait. The population in Nome is approximately 4,021, with 54% of those Alaska Native Eskimo.

Nome is host to the Bering Sea Ice Golf Classic, a six hole tournament played on the ice, the Polar Bear Swim, and the Midnight Sun Festival in June. It is a popular stop for tourists and bird enthusiasts, and in March is the finish line for the Iditarod Trail Sled Dog Race, which starts in Anchorage and ends in Nome, covering 1049 miles.

Situated on the Bering Sea coast, Nome is sur-

rounded by rolling hills of arctic tundra, dotted with a variety of miniature plants, berries and wildflowers. Due to an underlying frozen layer of permafrost, the landscape is naturally treeless, save for a few small transplants found in resident's yards.

No road system connects Nome to any other city. The longest local "road" (dirt and gravel) stretches 80 miles north, and then ends abruptly in the middle of the Seward Peninsula. There is no rail connection, and no buses. The only connection to the outside world is a 600 mile flight south to Anchorage.

So you must wonder how Eric ended up there and loves it.

Eric attended the University of Akron, majoring in Communications. In 2005, Eric moved to Nome to work at one of the two radio stations in Nome, KNOM 96.1.

He was the production director for the station as well as the morning DJ. His job responsibilities included flying out to native vil-

lages for news stories, cultural festivities, and sporting events, as well as producing on air spots and hosting a call in talk show. The job was a one year position and ended in 2006.

*Continued on page 2*

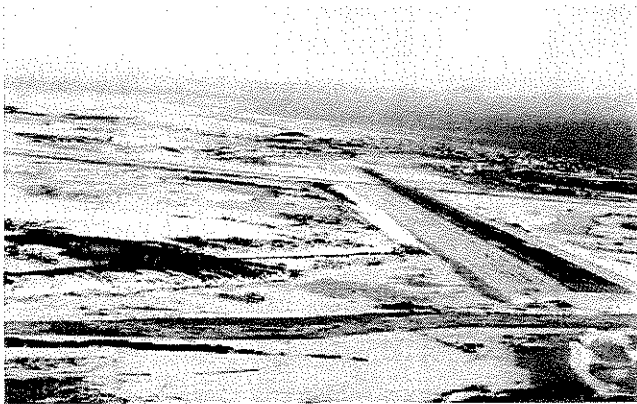

Continued from page 1

He moved back to Mogadore in 2006 to complete his degree in Communications at the University of Akron. In 2008, he moved back to Nome permanently and currently works for the Department of Homeland Security.

He met his wife at the radio station in 2005 and after returning to Alaska in 2008, was married in 2009, in Nome.

His spare time is spent fishing for salmon, doing some photography, gathering berries on the tundra, traveling and seeing the vast state of Alaska, and enjoying the 24 hours of daylight in the summer.

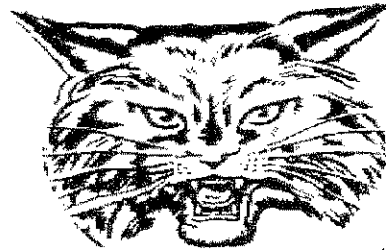

## OBITUARIES

The Alumni of Mogadore have lost several alumni this past year. Each person will be remembered for how they made a difference.

## DISTINGUISHED ALUMNUS- Doug Watts

*Class of 1960*

### LEADER, MOTIVATOR

The future of cross country and track and field athletics changed at Edinboro University when Doug Watts began coaching the sport in 1969. But before becoming a part of the coaching staff at Edinboro University, home of the Fighting Scots, Doug completed his degree from the University of Akron in 1964, majoring in Health and Physical Education. He was an assistant coach while attending Akron U. His first coaching job was at Walsh Jesuit High School, where he started the cross country program. His record during his two years at Walsh was 19-0 and a district title.

The Running Scots of Edinboro have experienced much success under the direction and leadership of Coach Doug Watts. Doug has produced numerous All-Americans and team championships, as well as four individual cross country champions and five individual track first-place finishers.

They have completed 33 consecutive undefeated cross country seasons and 124 straight dual victories. Doug's teams have produced a total of six national championships, including back-to-back-to-back NCAA Division II titles from 1986 through 1988, and back-

to-back NAIA titles in 1975 and 1976. His teams have earned six runner-up trophies, plus finishes of third (twice), fourth (three times), fifth, sixth (twice), seventh (three times), eighth (three times) and ninth.

The men's squads have accomplished 17 top-ten finishes at the national meet in the last 24 years. The women's program is credited with being one of the elite programs in the NCAA East Region and on the national stage.

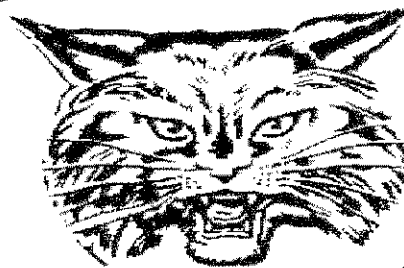

Many "Coach of the Year" awards are found in Doug's office. He was inducted into the Edinboro Hall of Fame in 2004.

His personal accomplishments include the "National Coach of the Year", 5 times. He has published numerous distance-running articles for national publications. He has been nominated twice for an Olympic coaching position.

Doug has served as the Past President of the NCAA Division II Track and Field Coaches Association and former Vice President of the USTCA National Coaches Association. Also, he was the head of NCAA Division II Cross Country Hall of Fame Committee and has sat on the Board of Directors for the USTFCCCA (U.S. Track & Field Cross Country Coaches Association).

Each summer Coach Watts conducts a pre-season endurance training camp, the Edinboro Distance Village, for young men and women. Sixteen of his Edinboro athletes have been Olympic qualifiers.

## EDINBORO'S CROSS COUNTRY PHILOSOPHY

"Generally we attract the middle distance athlete who is seeking a special environment for running," says head coach Doug Watts about his track and cross country programs at Edinboro University. A student athlete should consider Edinboro because of the following reasons;

1. A small school setting, academically oriented that generally allows for a fuller personal development in the classroom, athletic and social activities; yet it offers a large, diversified choice of educational majors and specialties.
2. A TEAM concept in training competition.
3. A distance-based training program integrating selected road races as a training supplement.
4. Division I schedule of intercollegiate competition.

5. A program that allows personal direction and individualism, a proper balance between academics and athletics...and fun.

6. A tradition of excellence and proven success in running within an environment supportive and respectful of distance runners.

## ALUMNI WALKWAY PROJECT

The Mogadore Schools Alumni Foundation is now taking orders for engraved, personalized bricks to be placed into the Mogadore Alumni Walkway in front of the new high school.

The bricks can be engraved with a person's name or phrase of your choice, which will be a lasting tribute to all who participate in this cause.

These engraved pavers make wonderful gifts for birthdays, anniversaries, graduation, retirement and memorials.

These bricks can be ordered by sending your order form to Charlene Williams, 1 S. Cleveland Avenue, Mogadore, OH 44260. Please make your checks payable to: Mogadore Schools Alumni Foundation. Questions, call Dave Williams 330-628-1645.

Your purchase will not only memorialize your name but also it will enable the Mogadore Schools Alumni Foundation to award additional scholarships to Mogadore youth.

We thank you in advance for supporting our youth.
